

INSIDE TAXES

January, 2014

SCHEDULE YOUR APPOINTMENT!

WHY SHOULD YOU CHOOSE US?

I know, I know. It's that time of year again. Once again, the government has insisted that you, the loyal taxpayer, report and endorse many things in complete accordance with a law that is constantly changing and consistently confusing. Meanwhile, Sarah has soccer practice and John is running late for his band recital. The property taxes (imagine that, MORE taxes) are due and the water bill is still in the envelope. Still the most intimidating part is making sure your 1040 is right with a tax code that is over 3.7 *million* words.

While seeking honest compliance with this monstrosity of legal jargon, there is an unwelcoming burden that should not be carried on any one person's shoulders. That's where we come in.

Stafford Accounting and Tax Services, LLC is the solution to your problem and more. Knowledge, work ethic, and overall quality are the centers which we revolve around. We create partnerships with our clients, which allow us to share with them their government-inflicted, tax responsibilities. We understand that the daily routines life demands can be overwhelming, themselves. We are here to relieve that burden. Your job is to show up with the right materials (discussed later) and make sure Sarah and John get to where they need to be.

Let's do this together,

Mark Stafford

A LITTLE BIT ABOUT US...

Our firm was started by Mark in early 2008. In order to keep costs down, he operated out of an office in his home. Mark was blessed with many client referrals each year (enough to make him realize he needed help). So, at the beginning of 2012, Josh joined the firm as a tax preparer. With his hard work, abilities and energy, he has since become a co-owner of the firm. Also in 2012, we acquired BOMAR Tax Services and were blessed with over a hundred new clients. It is important to us that the client *wants* to come back next year. And, to ensure that happens, we seek to deliver a personal, educational and optimistic experience. Another acquisition in the later part of 2012 was Dee Dee Stafford. Dee Dee began working with us performing bookkeeping, payroll and administrative services. After the 2013 filing season, we realized that working from a home office was limiting our potential and we have since signed a lease in the Kingsway Plaza at the corner of Windhorst and Kingsway in Brandon, Florida. This created the need for another preparer position which was recently filled by Andy Woods. In summary, we are a small family-owned, Christian business with dedicated employees whose tax experience spans over 35 years.
